

Dear Families:

We're excited to announce a new school resource that can be accessed from school, home, or on-the-go—Capstone Interactive eBooks! These eBooks can be used with a laptop or desktop computer or an iPad.

Students love Capstone Interactive eBooks because they can access them anytime, anywhere. Does your child have a report due the next day? Did he or she forget to check out books from the library? Capstone Interactive eBooks can help! See what titles our school has to offer by using the login information below.

Best of all, Capstone Interactive eBooks provide critical supports like text-highlighting and read-aloud audio, recorded by professional voice-over artists, to model pronunciation and fluency. Plus, the easy navigation makes it inviting for your student to find their Capstone favorites: like the spunky Katie Woo, stunning photography from PebblePlus books, and thrilling reads like Library of Doom from Michael Dahl. And you can feel comfortable knowing your student is exploring an ad-free website bursting with resources to help them read in and out of the classroom.

Explore Capstone Interactive eBooks with your students and let us know your feedback.
